Turn your photos into something truly amazing! ACDSee Photo PowerPack comes with all the tools you need to view, organize, enhance and share your photos. Get creative results that you can instantly show off to friends, family and the world.

NEW features in ACDSee Photo PowerPack

- Stay organized with smart features that help you sort your photos as you get them from your camera.
- Find your photos fast, and save searches for ongoing use.
- Step-by-step how-to guides and designer templates make it easy to get started.
- Rescue once-in-a-lifetime shots with professional tools that instantly correct common photo flaws.
- Restore your original photos at any time, for worry-free editing.
- Create stunning slide shows set to music, with pan & zoom, black & white and sepia effects.

Do more with your photos! ACDSee Photo PowerPack makes it easy to quickly view, organize and find your shots. Perfect them with powerful editing tools. Create captivating scrapbooks, calendars and one-of-a-kind keepsakes. And instantly show off your favorites in slideshows, via email and on the web. This jam-packed three-in-one suite has everything you need to share all your memories.

Browse & View

- View your photos exactly the way you want.
- Mouse over thumbnails for a handy preview.
- Browse your photos by date or event.
- See your shots fast. Double click on an image and it will display instantly.

Stay organized

- Manage your collection with keywords, ratings, categories and more.
- Protect your photos with easy to use backup tools.

Enhance and perfect your shots

- Fix red-eye, blemishes and lighting issues with the click of a mouse.
- Give your photos an artistic touch with a custom border, drop shadow, edge, vignette and many other special effects.

Create captivating crafts

- Use your photos and elements to create scrapbook pages, calendars, invitations and more.
- Step-by-step guides and inspiring templates make it easy to get started.
- Save paper and ink when you print everything from wallet strips to portrait sizes.

Share with friends and family

- Show off your shots in dazzling slideshows and screensavers, and burn them to CD and DVD for gift-giving.
- Quickly email photos and create free online photo albums.
