**March 04, 2010**

## **Preorder and Save 10 Percent on New ACDSee Photo Manager 12**

**VICTORIA, British Columbia** – Photo enthusiasts can be among the first to receive ACDSee™ Photo Manager 12, the latest version of ACD Systems International Inc.'s easy-to-use photo software designed for people who need speed and flexibility when managing their photos and creative projects.

From now until mid-April, the company is giving fans an opportunity to preorder Photo Manager 12 before the official release date and save 10 percent off the list price of \$69.99 (USD). The special preorder pricing is available at [www.acdsee.com](http://www.acdsee.com).

Designed for avid amateur photographers, scrapbookers and crafters, ACDSee Photo Manager 12 is fast, flexible and affordably priced organization software available for at-home use. In this new version, photos and personalized artwork can easily be stored online and turned into posts on leading social media networks, such as Facebook®.

In addition to its fast and easy browsing and editing capabilities, ACDSee Photo Manager 12 adds these new features for an enhanced user experience:

- Optimized for Microsoft Windows® 7 and netbooks
- Convenient FTP uploader
- Free online photo sharing and storage
- Easy image transfer to social networking sites
- SMTP e-mail support
- Print with fotoflot®
- Enhanced intuitive interface
- One-click visual tagging capability
- Improved noise reduction
- Filmstrip in View mode
- Search and sort by edited state

### **Pricing and availability**

ACDSee Photo Manager 12 is available for preordering at a 10 percent discount at [www.acdsee.com](http://www.acdsee.com). Registered users of ACDSee 6 and later are eligible to upgrade for less than \$35.00 (USD). They can learn about upgrading by logging in to their accounts on the ACDSee website.

### **About ACD Systems**

Headquartered in British Columbia since 1993, ACD Systems International Inc. is one of the world's leading developers and marketers of digital imaging software, including the renowned ACDSee image management tool

and Canvas, an advanced technical illustration and graphics program. ACD Systems has millions of consumer and business users and more than 33,000 corporate customers, including many Fortune 500 companies. For further details, please visit [www.acdsee.com](http://www.acdsee.com).

ACD and ACDSee are trademarks of ACD Systems International Inc. and may be registered in Canada, the United States, the European Union, Japan or certain other jurisdictions. Canvas is a trademark of ACD Systems of America, Inc. and may be registered in certain jurisdictions. Trademarks of ACD Systems of America, Inc. are used under license by ACD Systems International Inc. or its subsidiaries.

All other marks, products and company names are the property of their respective owners.
